

Legislative Changes for RTOs Are Here: Are You Ready?

From 1 July 2020, there are key changes to the requirements for RTOs registered with ASQA.

About this Webinar

On 1 July 2020, the changes to the National Vocational Education and Training Regulator Amendment Act 2020 come into effect. These changes will affect RTO compliance requirements and procedures for reviewing regulatory decisions.

LEARNING OBJECTIVES

- Understand key changes in ASQA's regulatory requirements
- Identify areas of RTO's operations that require review and update
- Analyse potential impact of new regulatory requirements
- Determine risk of changes in RTO's regulation.

APPLICATION OBJECTIVES

- Adapt current governance and quality assurance arrangements to new requirements, within four weeks
- Implement appropriate changes in RTO's procedures to communicate with ASQA, within two weeks
- Determine training requirements for RTO's staff members, within four weeks
- Communicate regulatory changes to all RTO's staff members, within a week

IMPACT OBJECTIVES

- Minimise costs of regulatory compliance by 50%
- Reduce time required to respond to ASQA's enquiries by 50%
- Improve RTO's capabilities by 20%

What you will learn

This webinar will provide you with clear information about how these changes will affect your operation and what operational changes are required to adapt your practices to the new regulatory normal.

HOW IT WORKS

Share your thoughts via chat window

Use a microphone to speak with presenters/ attendees

Raise your virtual hand to engage in discussions

Answer online polls that provide instant group feedback
